

Y BRANCH TEST PLUGS

The DY Series Test Plugs are intended for use in cast iron soil pipe applications to seal off Y shaped fittings. The top handwheel expands the lower rubber gasket, and the wing nut expands the upper rubber gasket. There is a fill or vent stem provided on these plugs.

CODE NO.	FITS INSIDE PIPE DIA. (IN INCHES)	UNEXPANDED OUTER DIAMETER (IN INCHES)	STEM CONNECTION	WEIGHT (IN LBS.)
DY-020	2"	1 3/4"	1/8" NPT	4.5
